NO QUESTIONS ARE DUMB QUESTIONS

— BROUGHT TO YOU BY SUTTER HEALTH —

DEAR PARENTS

We invite you to ask us questions. Small questions, big questions, easy ones and difficult ones. They're all welcome.

Our pediatric specialists are standing by. We have experts in a variety of pediatric disciplines, including neurosurgeons, cardiologists, spine surgeons, and oncologists.

So head on over to [facebook.com/sutterchildrens](https://www.facebook.com/sutterchildrens) and ask away. Share what's on your mind. We'll respond to select questions on our Facebook page with a written or video answer.

We look forward to hearing from you. Remember, **all questions are good questions.**

Sincerely,

Your friends at Sutter Children's Center
